Press Release Body: **Michael Keenan of YesHomestead** has just released his brand new website '**Retail Shopping Secrets**'. Michael has been a professional salesman for many years and the information he shares about saving money retail shopping, truly astounds, shocks and totally informs.

Michael's states on his website, '**Retail Shopping Secrets** has been created to show you exactly the skills, both retailers and salesman, routinely use to gain your money straight from your pocket without you even realizing it. You will also gain direct access to all the technology product information you will ever need. And I will also be letting you know what questions you should be asking. In simple terms, if you apply all the info on this website you will have in your hands exactly the same knowledge which retailers and professional salespeople use everyday. I am going to show you how to turn the tables in your favor, and how you can keep money in your own pocket, where I am sure you know it really belongs.'

Years of valuable sales experience is being shared on Michael's website for the direct purpose of educating people on how to save money when they shop for retail technology based products. So it truly may pay to visit.
