Tyrone Short announces publication of **Lord Please Hang em High! Protect our Children from the Sexual Pedophile! Purge the Evil**

from the Land! Give them Three Days to Live! Or Have the Ruling Authorities Booted out of Office in conjunction with **Lulu** (www.lulu.com), the world's fastest-growing provider of print-on-demand books.

There is a man out there in the shadows waiting for your family to turn out the lights. He is waiting for you to put your daughter to bed. He is the sexual pedophile and he wants to do things with her. When will the governing authorities administer the due penalty?

He took her when she was pure, and introduced her to sin. He took her when she was without blemish, and left a mark on her. At what point will the rendered sentences reflect the severity of the crime?

Tyrone Short designed **Lord Please Hang em High! Protect our Children from the Sexual Pedophile! Purge the Evil from the Land! Give them Three Days to Live! Or Have the Ruling Authorities Booted out of Office!** because of the saddening number of families that have lost their children to this plague of vicious attacks by these perverted men. This book is a passionate outreach to those

who sit in office with the capability to make a difference for the future of our children.
