Press Release Author: Phil Vogel / Business Development Manager

Industry: [Telecommunications](#)

**Press Release Summary: Test Equipment Connection Corporation today announced that it has promoted Mike Novello to President and Chief Operating Officer.**

**Press Release Body: Test Equipment Connection Corporation today announced that it has promoted Mike Novello to President and Chief Operating Officer.**

Novello's expanded role will involve working with **Test Equipment Connection CEO John Bahng** on strategic planning and expansion of the company's global business platform. Novello's promotion came at shareholder recommendation and received board approval in December.

*"Mike has made tremendous contributions since he joined us early last year and was instrumental in establishing our affiliate **TEC Connection Asia** and in growing world wide sales for our U.S. based operations," said Bahng, calling Novello "thoroughly prepared from both an operational and sales perspective. Mike will continue to drive the Company to exceed our future targets for growth and profitability."*

**About Test Equipment Connection Corporation:**
