After finding a loved one needs help from drug or alcohol addiction, the road to finding them help can be scary. Choosing a reputable rehab center for drug detox does not have to be difficult with the help of Cliffside Malibu, a beach front rehab center.

Cliffside Malibu has helped countless patients and specializes in addiction to:

- \* Alcohol
- \* Cocaine
- \* Heroin
- \* Marijuana
- \* Pharmaceuticals
- \* Sex/Porn
- \* Eating Disorders
- \* Opiates
- \* Gambling

These addictions include this list but are not limited to them. This is because Cliffside Malibu's staff has extensive knowledge in a variety of types of addictions and how to help patients with them. With a large staff of health care professionals, therapists and counselors, anyone can achieve a sober life with the help of Cliffside Malibu. The staff of Cliffside Malibu is dedicated to

helping each and every patient achieve sobriety. With an extended care program for sober living, patients can continue to stay within the facility for continued therapy and for observation. This is to ensure they remain on their sober track before embarking on a new life in the real world.

Ultimately, Cliffside Malibu will give addicts a chance at a better life. Addiction can be a scary process and without the help of professionals, addicts can continue a dangerous lifestyle. Addiction not only hurts addicts themselves, but their families and other loved ones as well. The staff of Cliffside Malibu works on helping addicts to realize this notion in order to provide an additional incentive to get sober.

The beach front luxury location helps to create calm, relaxing atmosphere in which to reach sobriety. With various high-end amenities including luxury bedding options, a turn down services, yoga, massage, hiking, gourmet food, and acupuncture, patients can enjoy daily luxuries while working toward becoming sober. With family counseling and therapy options as well, the process of becoming sober is a joint effort.

Drug Rehab Center as Cliffside Malibu provide a new life for patients seeking help. With the dedication of everyone involved in the recovery process, recovery from addiction, no matter what it is, can be achieved with the help of the professionals at Cliffside Malibu.
