Hazardous Waste Operations and Emergency Response Training Comes to Cary

Released on: January 28, 2010, 7:58 am Author: **Environmental Resource Center**

Industry: Environment

Personnel who are expected to stop, contain, and clean up releases of hazardous materials are required to have 24 hours of initial training. Personnel who are involved in clean-ups at waste sites, including Superfund sites, RCRA corrective action sites, or voluntary clean-ups involving hazardous substances must have 40 hours of initial instruction.

Environmental Resource Center, the leading provider of environmental and safety training, will present the mandatory training in Cary, NC on February 15-17 for the 24 Hr. Hazwoper and February 15-19, 2010 for the 40 Hr. Hazwoper. Classes begin at 8am and end at 5pm each day.

Registration for the mandatory training is available by calling 919-469-1585, 1-800- 537-2372 or at http://www.ercweb.com/classes

Now in its 29th year, Environmental Resource Center trains not only thousands of industry personnel every year, the company also trains personnel from most of the State and Federal agencies that enforce the regulations.
