W2 Mate, 1099 electronic filing software, allows business filers and accountants to meet IRS 1099 E-File requirements by providing a powerful solution for electronic reporting of 1099-MISC, 1099-INT, 1099-DIV and 1099-R.

Real Business Solutions (www.RealTaxTools.com), the maker of W2 Mate W-2/1099 filing system, reminds businesses and tax professionals of the 1099 electronic filing due date, which is March 31, 2010. W2 Mate, 1099 electronic filing software, is packed with features that make it easier than ever to create, print, import, process and e-file 1099 forms.

"1099 Electronic Filing is a chore, but it doesn't have to be. This is why we built W2 Mate. A powerful, yet very affordable,1099 software that takes the complexity out of year-end-reporting by providing the right

tools to E-file W2 forms with the SSA and E-File 1099 forms with the IRS" says W2 Mate product manager Nancy Walters.

W2 Mate W2 1099 software offers support for paperless (electronic) and paper (print) of wage and information returns 1099-MISC, 1099-INT, 1099-DIV, 1099-R and W-2.

W2 Mate meets the 1099 electronic filing requirements of the Internal Revenue Services and a number of state departments of revenue by proving the ability to generate files in the IRS 1099 electronic filing format. The W2 1099 software also fully supports the EFW2 format for e-filing W2's with the Social Security Administration and states that accept EFW2 submissions. For interested filers, a free 1099 software demo can be downloaded by visiting the product's page.

Some of the features of this comprehensive, industrial-strength IRS 1099 electronic filing software include:

- Complies with IRS Publication 1220 (Specifications for Filing Forms 1099-MISC, 1099-INT, 1099-DIV, 1099-R) Electronically
