Acai Berry is said to be a great weight loss product. A website reveals the truth by a detailed analysis of all aspects to come out with a verdict.

The effectiveness of [weight loss pills](#) is always debated. It is true that some weight loss pills help in losing pounds keep it off and improve overall energy. One should not get into something before doing some research. Obviously companies selling products will always says good about their product. Weightlossnpills.com did a comparison of some of top diet pills in market considering a range of important parameters.

The parameters for comparison included Company reputation, Product price, Side effects, Ingredients used, Support, Long term benefits, Weight loss power, Money back guarantee, Re-order rates, Shipping and Positive User reviews. These are very carefully selected parameters which provide a common ground for comparing products from different manufacturer each of which had their own claims.

There are many products, says director of website. C9Acai is a super concentrated extract of the Acai berry, and the only supplement to offer 1200mg of this extract per serving. The Acai berry promotes weight loss by many different methods, reducing fat through a multi-pronged attack. Acai berry is also a great appetite suppressant. There

are no any side effects even if you take C9Acai for long time. It can be used as weight loss medicine for both, men and women.

PureAcaiBerry is another weight loss product which is a pure, freeze dried, maximum strength acai supplement. Studies have shown that this little berry is one of the most nutritious and powerful foods in the world. This version of Acai Berry Active is specifically geared toward men as a work out supplement.

You can find plenty of information about them on their site as well as find many [articles on weight loss](#).

"Since lots of people searching to lose weight, there are many fly by night companies out there which try to sell their products by sales pitches and false promised," says directory of website. He also added to stay away from such products.
