Smile South Florida's top [cosmetic dentist](#) in the Fort Lauderdale and Miami area, Dr. Charles Nottingham, has maintained a close relationship with the owner of da Vinci Studios, Daniel Materdomini. Dr. Nottingham and Daniel speak regularly about maintaining the best cosmetic dental practices with da Vinci veneers. In fact, the Daniel sent his own mother to Dr. Nottingham for a full cosmetic reconstruction – and were very pleased with the results.

In a letter to [fort lauderdale dentist](#) Dr. Nottingham, the owner of da Vinci Studios wrote: "... your preparations and impressions exceeded perfection. I had an opportunity to use many dentists in the area...but I chose you because of your experience, knowledge and the dedication you have with your patients. My Mom was thrilled with her new smile...If the 'Extreme Makeover' show was filmed in Florida, I am sure you would be the providing dentist."

Da Vinci Studios offers two lines: the da Vinci line which offers fee-for-service veneers and crowns and the Leonardo line which offers veneers and crowns for PPO insurance patients. Because of the success of the da Vinci line and their faith in its durability, da Vinci studios extended the warranty on new da Vinci veneers so they are guaranteed for life. The Fort Lauderdale cosmetic dentists at Smile South Florida offer both lines.

"I have seen Dr. Nottingham transform people's lives. Dr. Nottingham is giving South Florida something to smile about." said, Daniel Materdomini.

This opinion is seconded by Craig Galbraith, also from da Vinci studios: "I have never seen a smile gallery as extensive as Smile South Florida's and where the final result of every case is of such a high standard."
