If you are simply in the market for a new Verizon phone and matching accessories or If you are in need of some technical consulting, help with setting up FIOS services, our staff is ready to help you find what is just right for you. Now, under new management, our esteemed staff is a team of friendly new faces who are willing and eager to help you with meeting all

of your personal shopping needs, leaving you with the feeling of a pleasant shopping experience and sense of gratification.

We believe whole heartedly in treating our valued customers just as we, ourselves, would expect to be treated if it were us on the other side of the counter. If you come in with questions related to your intended purchases or services you would like help with, we want you to ask. If we don't have the answers right off hand, we will get them for you. Here, we are all about working to meet your specific needs as our customer and having you walk away feeling informed and satisfied with your purchase.

Our store is conveniently located and easy to find. There is plenty of room to casually browse through without the stuffy, high pressure, boxed-in feeling you get from most other stores. With the pleasant greetings and precise, individual service you will receive once you walk in our doors, you are sure to feel as if you've stepped into a neighbor's for an afternoon visit rather than a simple, impersonal stop-and-shop.

As our customer, your needs come first and our enthusiastic, well informed staff are always happy to assist you in any way possible.

In addition to the services listed above, our knowledgeable, attentive staff can help you with other things such as bills overview or transferring information to new devices. We value your business and we thrive on customer satisfaction the first time around, paying special attention and we know you will have no objections on coming back to us with your future

needs.

As a limited time offer, to celebrate our changeover, we will be offering our customers a few tasty deals that are sure to entice. Purchase your blackberry at our store and you will receive an instant \$25 off on the spot. Buy any of our accessories and receive a 25% discount on the spot. These are limited time offers and are in addition to any sales and promotions going on online. You can't go wrong! Come on in and get yours today! Our doors are open and we look forward to seeing you here.
